Dear Mr. Lipcon:

Thank you so much for your recent donation to the Space Coast Seafarers Ministry. Your generosity enabled us to offer many free services to the international crew members.

Last year we were able to assist over 15,000 seafarers from 96 different countries here at Port Canaveral. We hope to increase our usefulness in 2007.

Thank you too for your special work to protect the legal rights of the seafarers in Miami and around the world

May God bless you, your family and your practice.

Sincerely,

Dan Bailey
